
Pulp and Printing Papers Forecast 2010–2020: The Impact of Digital Media and E-reading Platforms on Paper Demand

TABLE OF CONTENTS

Executive Summary	1
Introduction and Methodology	5
Key Demand Variables	7
Review of the Electronic Revolution	7
Before Broadband.....	8
After Broadband, New Sources of Information.....	10
After Broadband, Leisure Time Activities	13
After Broadband — Pure Paper Replacement.....	14
After Broadband — Digital Media and E-reading Platforms.....	15
Economic Prospects for 2010–2020 and Paper Consumption	15
Print Media Costs — The Elasticity of Paper Demand	19
Paper Prices and Manufacturing Costs.....	20
Energy and Paper Production Costs.....	21
Currency Values and Paper Production Costs.....	22
Environmental Regulations and Paper Production Costs	26
Fiber Issues and Paper Production Costs.....	26
Printing Costs.....	28
Postage and Other Distribution Costs	29
Summary: Costs of Printed Media.....	30
Digital Media and E-reading Platforms.....	30
Data Communications Infrastructure	33
Broadband and E-reading Devices.....	34
Mobile and Personal.....	35
E-reading Devices.....	36
Conclusion.....	39

Demand Forecast By Important End Use.....	40
Newspaper Publishing.....	40
Magazine Publishing.....	43
Catalogs and Other Direct Mail.....	46
Newspaper Inserts.....	48
Book Publishing	49
Cut Size and Offset	50
Demand Forecast By Grade	53
Newsprint.....	53
SC-A	54
Coated Grades.....	55
Uncoated Free Sheet	56
Market Pulp	57
Offshore Imports	60
Unfilled World-Class Machines	60
Euro Versus the U.S. Dollar	61
Imports From Europe.....	62
Imports From China	63
Offshore Imports From “Others”	64
The North American Supply/Demand Balance 2010–2020	65
A Short, Short-Term Forecast.....	65
What We Know and What We Don’t Know	66
We Know That	66
We Have Made Projections... But We Don’t Really Know.....	66
Consolidation and Supply Control.....	67
Potential For Supply Control By Grade	70
Concluding Remarks	72
Addendum 1: Pricing Tables.....	73
Addendum 2: U.S. Postal Service	75
Addendum 3: The Implications of the White Birch Bankruptcy	76
Addendum 4: Proposed Ozone Standard Would Devastate U.S. Economy	80
